

EASTER

ACTIVITY | THE ROAD TO EMMAUS

CHALK ART: REMEMBER THE CROSS

In this activity, your child will use art to share the love of Jesus. As we look to remember Jesus every day, we can share the love of Jesus and help others remember Jesus every day, too.

DIRECTIONS

PREP

1. Find a space that you would like to create your art outside your home and in your community.
2. Bring your tape, sidewalk chalk, and kids to the space.

DO

1. Start by adding tape to the ground in the shape of a large rectangle.
2. In the center of your rectangle, add tape to the ground in the shape of a cross.
3. In the remaining space between your cross and rectangle, add tape to the ground in fun, geometric shapes.
4. Give your child the sidewalk chalk and allow them to color each individual shape a different color.
5. Once all shapes are filled in, remove the tape revealing a stained glass, mosaic design.

BIBLE CONNECTION

I can remember Jesus every day!

God loves us so much that He sent Jesus for us. Jesus is alive and is in Heaven with God. We can always remember Easter and God's love for us. By making this art outside where all the neighbors can see, they can be reminded of Jesus, too!
