Hey Parents! This week we studied the story of Tabitha in order to learn more about the Fruit of the Spirit of kindness. The Bible says that Tabitha was always doing kind things for people and helping the poor. Kindness is showing God's love to others. When we do something kind for someone, we are showing them Christ through our kindness. This is one of the most important things we can do as believers, as kindness may bring someone to Christ when they feel His love for them through our actions. Take some time to discuss the following questions with your child this week to reinforce the importance of kindness.

1. What does it mean to be kind?
2. Who is someone who you have a hard time being kind to?
3. What is one kind thing you can do for them today?
