WHAT I SAY

One day, Lydia was with a group of women by a river.

Show group of women, Lydia, Paul and Silas sticks.

Paul and Silas came and started speaking to the women. As Lydia listened, God helped her to understand and believe what they were saying.

Remove group of women – show Lydia, Paul and Silas sticks.

Lydia asked Paul and Silas to come stay with her at her house. Paul and Silas stayed with Lydia several times because she always opened her home to them.

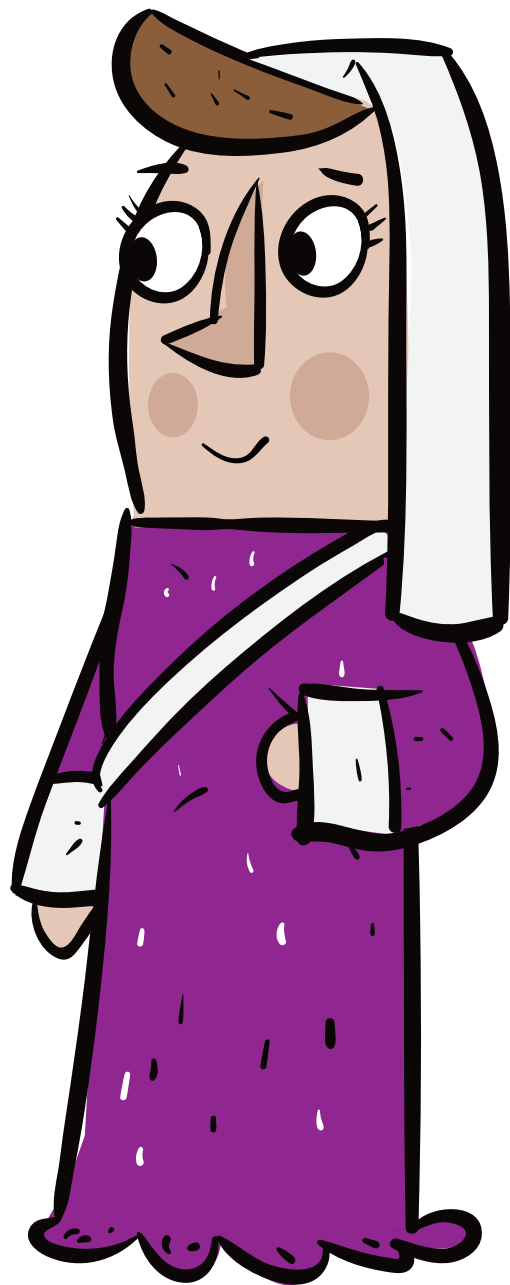

The End.

What a great story! After hearing Paul and Silas talk, Lydia wanted to show them goodness from her heart. Lydia wanted to use what God had given her to help them so she opened up her home. We can show goodness to others too by treating others well. We can treat others well and show people goodness when we have Jesus in our hearts.

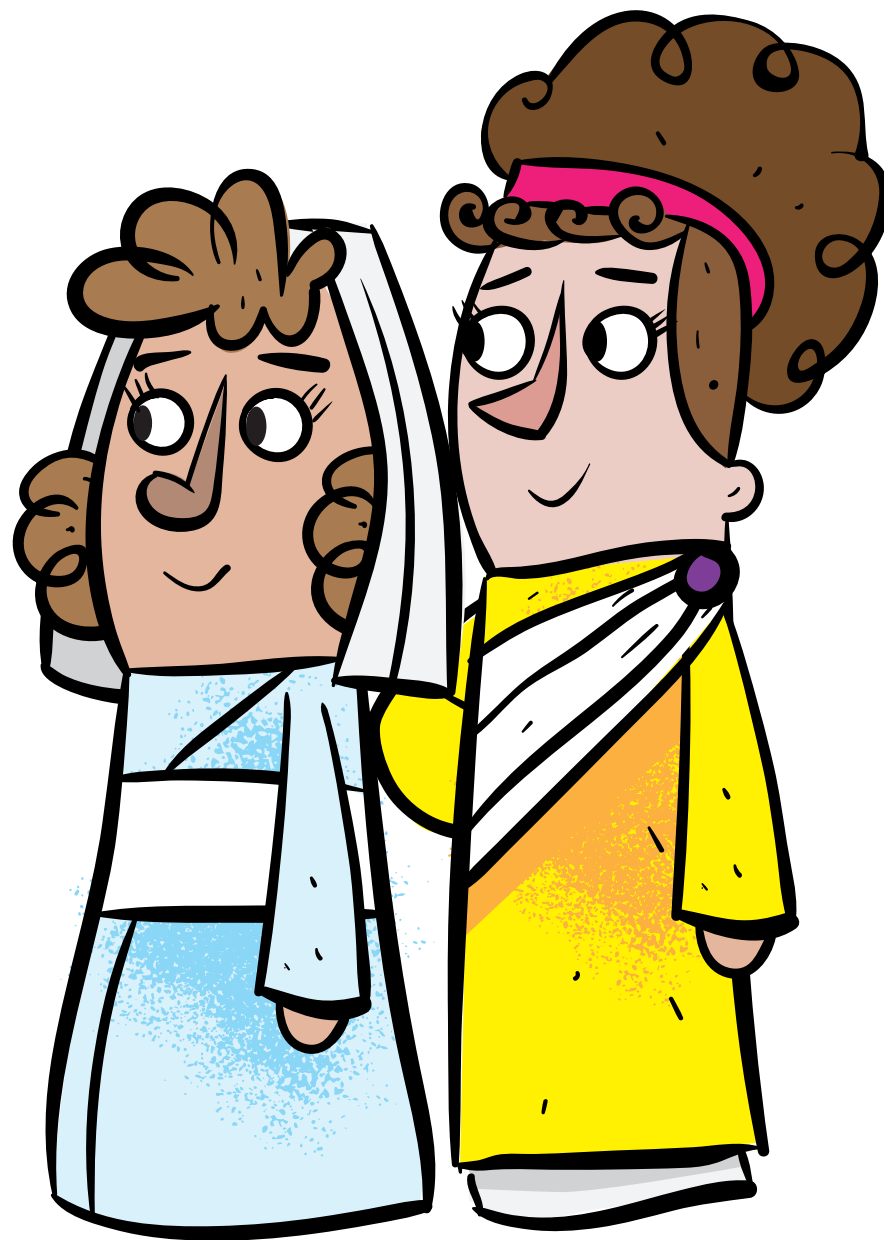

You all did such a great job listening! Now it is time for us to go over some questions so we can learn more about our Bible story.

1. Who in our Bible story told people about Jesus?
2. Who in our Bible story opened up her home to Paul and Silas?
3. How can we show goodness to others?
