

ESTHER WINDOW CLINGS

Use this craft as a reminder that, because we are made in God's image, we can do what's right. Your child will remember that Esther stood up for what is right every time they look at their handmade window cling.

DIRECTIONS

PREP

1. Print out the Esther printable.
Option: Kids can create their own designs using the printable as a guide or things that remind them of the Bible story.

DO

1. Help your child mix some of the glue with food coloring. (Repeat for however many colors your child would like to use.)
2. Place the printable under the clear, plastic bag or inside a page protector.
3. Give your child paint brushes or Q-tips to make the picture of Esther and their own designs or shapes using a thick layer of the glue mixture on the clear, plastic bag or page protector.
4. Once the glue is dry, peel your designs off the plastic and stick to a window or mirror.
 - Tip: If your window cling does not stick, wet the back a little.

SUPPLIES NEEDED

Esther printable

Page protector or Ziploc bag

Food coloring

Q-tips or paintbrushes

Glue

TALKING POINTS

- How do you know if something is right or wrong?
- How can you be like Queen Esther and do what is right even if it is hard?
