

FIERY FURNACE

Use this craft to help your child remember that just like Daniel's friends, they can be faithful by putting God first. They will prepare a paper scene to show your child that God was faithful to Shadrach, Meshach, and Abednego because they were faithful to Him. This is one example of a way to stand with God and how God stood with them!

DIRECTIONS

PREP

1. Print out the Fiery Furnace printable.
Option: Create your own design using the printable as a guide.

DO

1. Have your child use white crayons to color the *people in the picture only*.
2. Next, have your child use their watercolor paints to paint a fire over the entire scene; including over the people they already colored.
 - Note: The wax crayons will prevent the watercolor paint from sticking to the people they colored.
